Data Protection (Jersey) Law 2018

The information you provide will be used for the purpose of assessing eligibility and requirements for the parenting programmes listed above. It will be held securely and in line with current data protection legislation.

The information provided by you will be shared with facilitators of the programmes and may be discussed with professionals who are supporting your child.

We will not disclose any information that you provide to anyone else without your permission, except in the few situations where disclosure is required by law, or where we have good reason to believe that failing to share the information would put someone else at risk or when it is in the child's best interest to do so.
