

We aim for every class in the school to have at least one parent volunteer who comes along to half termly meetings with other staff and parent representatives. We discuss issues other parents raise and discuss ways that we can further enhance our children's school life with community or fundraising events.

It is a role in which parents can make a real contribution to our school and help to create a greater sense of community across the school.

The topics for discussion at Parent Rep meetings are of a general nature.

Parents who have an issue in relation specifically to their own child are advised to follow the usual channel of contacting their child's class teacher first, followed by the Headteacher, if necessary.

Parents' representatives themselves strive to support the school by providing ideas, support, information and practical help at events and special occasions.

We have half termly meetings where we discuss any issues parents wish to raise. The outcomes of the meetings are shared in our newsletters and on the PTCG page.

All parents are welcome to attend the meetings.

**If you would like to become a Parent Rep please pop in to the school office or speak to your class rep and we will add you to the group.**

**At Bel Royal we aim to provide an engaging, creative and inclusive curriculum, where we facilitate opportunities for challenge, driven by a passion for learning.**

# Bel Royal School

**Parent Representatives & Parent Teacher Community Group**

## Parent Representatives

We are always looking at ways to improve and develop parent partnerships and one of the ways we do this is through our class Parent Representatives who form the *Bel Royal School Parent, Teacher Community Group*.

The role of the PTCG is to provide a link between class teachers and parents.

It is a collaborative role that supports teaching and learning, is supportive of the class teacher and the school, whilst also enabling the parents to have a voice within the school.

Fundamentally, the role of the PTCG is to work towards the common goal of developing every child's potential and ensure we uphold our school vision.

## Parent Teacher Community Group

Staff representatives are:

Claire Hammond  
Headteacher

Liz Du Val

Britta Laurent

David Mills

**All members of staff at Bel Royal are actively involved in PTCG events and work closely with their parent rep to ensure effective collaboration.**

**We aim to ensure effective communication and positive relationships are established between home and school.**
